

Hendrik Veder Group is a European company, operating worldwide from its locations in the Netherlands, England, Scotland, France, Norway and Poland. It is headquartered in the Port of Rotterdam.

The company provides products and services in the field of steel wire rope and synthetic rope, which play an important part in the offshore and maritime industries around the world. It also offers all-in-one solutions and services in many other industries.

Hendrik Veder Group's ambition is to make the offshore and maritime sectors more sustainable. We work alongside our forward-thinking clients to achieve sustainability through innovation.

The result is new, cost-effective solutions based on inventory management, maintenance and a circular approach to raw materials.

At Hendrik Veder Group, sustainability and savings go hand in hand.

Certification Controller

We are looking for a new colleague to support our manufacturing and inspection divisions. Our clients must rely on the lifting equipment we produce and the ones our clients re-use. Nothing we produce leaves our workshop without a reliable certificate.

This role requires a person that is fond of technique and understands the importance of accuracy. In this job you will be rewarded with helpful colleagues and thankful clients.

Job requirements

- Making certificates for various lifting equipment for among others the offshore industry
- General reception and administration
- Answering calls and emails to help clients with inquiries
- Provide support to sales and operations
- Filing and organizing archive

Who are you?

You enjoy working in a team and put safety above all. You realize the offshore and maritime industry is a business with short lead times. So deadlines have to be met. You are accurate, social and hands-on.

What do we offer?

In addition to competitive terms of employment, we offer a positive working atmosphere and training, allowing you to develop and specialize further.
